

An impromptu meeting of the Deer Creek Board was called to order at 6 pm on March 18, 2020. Tim Whelan, Donna Rickert, Teresa Wittemer, and Janet Adamson were the Board members in attendance. This meeting was called because Deer Creek was approached by the property owners at the end of Landherr who were requesting to use Deer Creek easement for sewage. The residents of Deer Creek voted by ballot. There were 47 no votes and 17 abstained to not grant the easement. Tim made a motion that we accept the HOA decision to deny the easement, and Teresa Wittemer second the motion. The Board members voted 4-0 to approve this motion.

At 6:15, Donna Rickert made a motion to adjourn, and Teresa Wittemer second that motion.
